BioTalent Canada

To Whom It May Concern:

BioTalent Canada currently has an agreement with Crossgrove & Company to offer critical illness, disability, and life insurance products for employers in the biotechnology sector.

BioTalent Canada helps Canada's bio-economy industry thrive globally. With a direct link to a network of leaders in Canada's bio-economy, BioTalent Canada is the industry's trusted and comprehensive source for human resource information and skills development. As a non-profit national organization of innovators leading our bio-economy, BioTalent Canada anticipates needs and creates new opportunities, delivering human resources tools, information and skills development to ensure the industry has access to job-ready people. BioTalent Canada is funded in part by the Government of Canada's Sector Council Program.

If you require further information, please do not hesitate to contact the undersigned.

Sincerely,

BioTalent Canada
