To Whom It May Concern:

The Canadian Association of Management Consultants currently has an agreement with Crossgrove & Company to offer disability, and life insurance products, as well as an Association Health Plan to our members.

Crossgrove & Company is the sole preferred intermediary for disability and life and health insurance products, and has been for the past fourteen years.

The Canadian Association of Management Consultants is a national association representing approximately 3,000 management consulting professionals.

If you require further information, please do not hesitate to contact the undersigned.

Sincerely,

CANADIAN ASSOCIATION OF MANAGEMENT CONSULTANTS
