To the graduating class members of the 2023 School of Medicine

RBC Insurance wishes to congratulate all the medical students who will be graduating from the 2023 class of School of Medicine – Job Well Done!

As a long standing partner of the Canadian Medical Schools, RBC Insurance is pleased to introduce Peter Crossgrove, from Crossgrove Co. Inc., as one of our highly experienced advisors in the medical market.

Peter has been utilizing RBC Insurance's Living Benefits portfolio for 7 years, with the physician marketplace being his primary focus and area of specialty.

Peter's level of understanding of this often complex area of practice has given his physician clients the confidence that they have received the right insurance advice for almost a decade.

He is certified to advise on our special Medical Student Offering and has been recognized as one of our most successful advisors in Canada for the last 7 years for new MSO plans for medical graduates and residents.

We wish you all the best in your future career!

Sincerely,
